

WORKSHOP ON SYNTHESIS, CHARACTERIZATION AND SAFETY ASSESSMENT OF NANOMATERIALS

March 22-25, 2017

Workshop Coordinators

Dr Alok K. Pandey

Dr Satyakam Patnaik

Dr D Kar Chowdhuri

CSIR-Indian Institute of Toxicology Research, Lucknow is organizing a **Workshop on Synthesis, Characterization and Safety Assessment of Nanomaterials** from March 22-25, 2017. The objective of the workshop is to provide hands-on experience on some of the most relevant assays for the safety/toxicity evaluation of nanomaterials.

Techniques offered:

- Synthesis of Nanomaterials
- Characterization of Nanomaterials
- Nanoparticles uptake
- Safety assessment of Nanomaterials

The workshop will be helpful to researchers working in the area of nanoscience with special reference to medicine and consumer products.

Workshop registration fee:	Students	Rs. 5,000/-
	Faculty	Rs. 7,000/-
	Corporate	Rs. 15,000/-

The registration fee will include course material, lunches, tea but will not include lodging and dinner. Limited seats (max 15) are available and participants shall be registered on a first come- first serve basis. For participation in the workshop kindly send your filled in registration form duly forwarded by your Head of department/ guide with a statement of purpose. Also, a brief CV along with high resolution digital passport photo is to be sent to the Workshop Secretariat.

Last date for registration is March 15, 2017.
